MAIN MENU AND DASHBOARD

The Department of Labor's (DOL) eFile and eServe system is an Integrated gateway for filing and serving documents with DOL. The Department of Labor (DOL) handles roughly 14.7 million pages of paper each year in support of the adjudicatory processes in the Office of Administrative Law Judges (OALJ) and the Adjudicatory Boards (the Boards).

The Office of the Chief Information Officer (OCIO), in partnership with its DOL customer agencies, has worked collaboratively to implement an enterprise-level eFile/eServe solution. The solution leverages capabilities such as single sign-on, document management, and automated email notifications. The eFile and eServe solution integrate seamlessly with OALJ's CaseTracking System, the Boards' DOL Appeals system, and the OWCP Imaging System (OIS).

When a user logs in to the eFile and eServe system, the first page they are presented with is the Main Menu and Dashboard. This is the starting point for all navigations on the site.

The main dashboard features a set of tiles that lets the user navigate to different parts and functionalities that the site offers.

Users can access cases, file new cases, submit filings to cases, and view servings with the Office of the Administrative Law Judges (OALJ) or Board of Alien Labor Certification Appeals (BALCA).

Similarly, users can access appeals, file new appeals, submit filings to appeals and view servings with the Administrative Review Board (ARB), the Benefits Review Board (BRB), and the Employees' Compensation Appeals Board (ECAB).
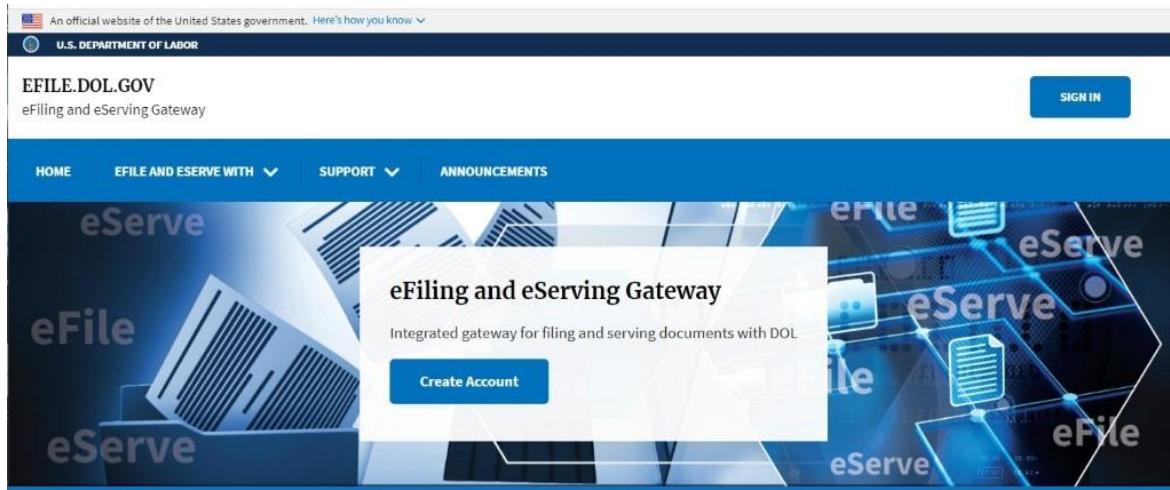

Additionally, users can manage their profiles, create or join organizations, and create mailboxes that help in managing the cases and appeals that they are working on as part of a company, organization, or group.
